STEP#2

Use the California State Contracts Register (CSCR)

The CSCR is one way of connecting you with The Department of Parks and Recreation (DPR) contracting opportunities. DPR posts service and construction contracts over \$5,000, commodity contracts over \$50,000, and IT goods and services contracts over \$100,000. For more information go to: www.cscr.dgs.ca.gov/cscr

STEP#3

Look into becoming a California Multiple Award Schedules (CMAS) Contractor.

The Department of General Services (DGS) establishes agreements with suppliers who offer products and/or services that are currently available through existing Federal General Services Administration (GSA) multiple award schedules. The program lets DPR streamline our purchasing. Find out more about CMAS at: www.pd.dgs.ca.gov/cmas
